BEER MENU

HOPPY

Hindsight

IPA - New England / 6.9% ABV

Restrained bitterness, unrestrained hop flavor and aroma. Bold and intense, yet delicate flavors of ripe oranges, citrus, and tropical fruit. Brewed with English malt & yeast and massive whirlpool and dry-hop additions of Citra and a blend of Pacific Northwest Hops.

DDH Style & Grace

IPA - New England / 6.7% ABV

We cranked up the hop dial on one of our favorites, originally brewed for the Pink Boots Collaboration Brew Day. Hazy and aromatic, the latest double dry hopped batch hits with a huge blast of round, juicy flavor and aroma and a clean finish. Big whirlpool and dry hop additions of Loral, Glacier, Mosaic, Simcoe, and Sabro contribute bold yet delicate flavors of juicy peach, pear, apricot, and melon.

Lazy Lightning

IPA - Session / 4.7% ABV

Double dry-hopped with Eureka & Mosaic, this beer is big on dank, tropical flavor and aroma yet crisp, clean, refreshing, and surprisingly crushable at a modest 4.7% ABV.

LIGHT

House Ale

Pale Ale - American / 5.5% ABV

A rustic, old school, American Pale Ale. Flavorful, balanced and easy- drinking. If your looking for a good old fashioned Real American Beer at the end of the workday, this one's for you, Bud!

Munich Helles Lager

Lager - Helles / 5.4% ABV

A carefully crafted, traditional German lager, brewed with German malt & hops. Clear, bright, and golden colored, with a medium maltiness of sweet grain and low whispers of bread, lending to a soft roundness on the palate. Noble hops contribute a slightly balancing, elegant aroma and flavor. Take a break from the hop bombs to enjoy this classic, refreshing continental lager.

Slice of Light

Belgian Witbier / 5.1% ABV

The original hazy, citrus flavor/aroma bomb - Belgian Witbier. With origins stretching back to the 14th century, the source of flavor and aromatics wasn't hops, but oranges, fresh herbs, and spices. Instead of the traditional dried orange peel, we added fresh orange zest for a brighter, fresher citrus flavor and aroma. James hand zested 100lbs of oranges for this beer! Complex, yet crisp and refreshing, we think this is the perfect summertime quencher.

Practice What You Peach

Farmhouse Ale - Saison / 5% ABV

Farmhouse Ale brewed with Peach and Apricot. Crisp, dry, and slightly tart with a light, effervescent body and fruity aroma.

DARK

Dark Star Lager

Lager - Dark / 5% ABV

Pours a deep brown color with notes of caramel and roasted malts. Leisurely aged on toasted American Oak for added depth and complexity. Don't let the color fool you, though; this dark lager is bright and refreshing, with a medium/light body and a crisp, clean finish.

Wolftree

Stout - American / 6.8% ABV

Stout brewed with Organic Fire Roasted Cacao nibs and Whole Vanilla Beans. Rich, complex notes of vanilla and dark chocolate with a medium body that will leave you wanting another sip!
