Not Included

- Event Planner
 - You will need to designate a person responsible for coordinating any outside vendors (i.e. caterer, DJ/band, decorators, etc.) as well as members of the wedding party during the planning stages and on the day of event.
 - It is recommended to hire an event planner or appoint a highly trusted individual who is not heavily involved in the activities on the day of the event to effectively communicate with vendors should issues/concerns/questions arise.
- Catering
 - **Timberyard Catering:** For an additional fee, we can arrange to provide food from our catering menu. Our authentic barbecue is served buffet style with heavy duty compostable plates and utensils. Please inquire about our options!
 - **Outside Catering** - Caterer must be licensed to serve food in Massachusetts and provide the required insurance and license documents for local Board of Health. *A \$300 administrative fee will be charged if using an outside caterer.*
 - **Potluck Events** – you may bring in outside food according to the state's guidelines: [here](#)
- Linen tablecloths (standard fitted tablecloths are included with rental)
- DJ/Band/Entertainment
- Audio/video Equipment
- Outdoor Tent (Optional) - Rental of an outdoor tent for the field is permitted at customer's expense. We can coordinate setup time with the rental company of your choice; rental company will invoice customer directly.
- Additional tables/chairs (e.g. for outdoor ceremony)
- Decorations (e.g. balloons, flowers, table settings, etc.)
 - Customer or their vendors may temporarily install decorations. Tacks may be used to affix decorations to wall.
 - No confetti or balloons filled with confetti please!
- Any additional staffing other than listed as provided above.
- Wedding Insurance
 - While not required, we recommend you consider wedding liability and/or cancellation insurance, typically available through your homeowners insurance agent.
